

Item no.: OD-AM-5G16-120

OD-AM-5G16-120 - Interference Shielding for AM-5G16-120

23,94 EUR

Item no.: OD-AM-5G16-120
shipping weight: 1.80 kg
Manufacturer: RF Shielding

Product Description

RF Shielding OD-AM-5G16-120 - RF Interference Shielding for AM-5G16-120

- The shielding is significantly lowering the radio frequency interference from the left, right & backside of the antenna.
- The product is protecting the signal mostly in the desirable range.
- Get the best possible signal quality, minimize the amount of network failures and improve the stability of the connection.
- The device is shielded via a solid stainless steel cover.
- The antenna is profiling the signal in a narrow range which helps to avoid mutual radio frequency interference.
- The shielding is bended in 30 degrees in order to get the best protection but also be gently adjusted to respect the 120 degrees working ratio.
- Thanks to patented click system, the assembly is totally easy and takes only few seconds without using tools.
- The final design was successfully re-adjusted in accordance to customer requirements.
