

Item no.: AMO-5G10-OD

OD-AMO-5G10 - RF Interference Shielding AMO-5G10/AMO-5G13

from **36,43 EUR**

Item no.: AMO-5G10-OD
shipping weight: 0.60 kg
Manufacturer: RF Shielding

Product Description

RF Shielding OD-AMO-5G10 - RF Interference Shielding AMO-5G10/AMO-5G13

The shielding is lowering the unwanted radio frequency interferences.

If using our shielding, the amount of network failures caused by interference hits zero and the stability of the connection will be significantly improved.

The shielding is increasing the efficiency of the antenna.

The product is shielded with solid stainless steel.

- Material: Stainless Steel
