Product Description

RF Shielding OD-Mikrotik-SXT - RF Interference Shielding for MikroTik SXT 5HnD

The shielding is significantly lowering the Radio Frequency interference from the left, right & backside of the antenna.

Our product is protecting the signal mostly in the desirable range. Get the best possible signal quality, minimize the amount of network failures and improve the stability of the connection.

The special feature of this shielding is that it protects the antenna especially from interference sources in households such as a microvave ovens, wireless phones, babysitter walky-talky monitors and similar devices.

- The shielding for MikroTik SXT 5HnD has 45 degrees bended side panels.
- Short operating manual is part of the delivery
- Material: Stainless steel
