PES-020-005 - Grove Expansion Board

from **32,51 EUR**

Item no.: PES-020-005
shipping weight: 0.10 kg
Manufacturer: PHPoC

📄 Product Description

PHPoC PES-020-005 - Grove Expansion Board

The groveexpansion board has up to 25 grove interface units with the option to switch between 3.3 V and 5 V power supply, allowing easy connection of various sensors and actuators to the PHPoC IoT Board via UART, SPI, I2C, PWM, ADCor I/O ports.Features

- 2x UART groves
- 1x SPI grove
- 1x I2C grove
- 6x ADC groves
- 4x PWM groves
- 11x I/O groves
- Power switch between 3.3 V and 5 V
