from **5,07 EUR**

Item no.: 323673
shipping weight: 0.10 kg
Manufacturer: ALFA Network

Product Description

ALFA Network - Bendable USB Cable

The flexible metal mini USB to USB extend cable (12 cm) is fully compliant to the USB 2.0 specification, allowing data transfer speeds up to 480 Mbps. It is also compatible with USB 1.1 and works with all kind of USB devices that need to fix and stand. This bendable USB cable can easily fix the USB WLAN adapter to have a better signal reception.
