Product Description

Maclean MC-777 - VESA Monitor/TV Holder, 13-42", black, 35 kg

The universal wall bracket is used for mounting LCD, LED and plasma TVs and monitors of various brands with a weight of up to 35 kg and screen diagonals from 13" to 42". The MC-777 bracket has a built-in spirit level to make installation easier than ever! Includes a set of screws to attach the wall mount and TV. The screen size shown is only a suggestion. The bracket can be mounted on a larger television if it does not exceed the maximum weight and fits the specified VESA standard.

- Maximum load capacity: 35 kg
- VESA: 75x75, 100x100, 200x200
- Built-in spirit level for easy installation
- Minimum/maximum horizontal distance: 75/200 mm
- Minimum/maximum vertical distance: 75/200 mm
- Robust metal construction, high-quality workmanship
- Very easy to assemble
- Powder coating, black
- Suitable for 13" to 42" televisions (or more if their weight does not exceed 35 kg and the VESA standard is compatible with the handle).
- Includes a set of mounting screws to fix the TV to the wall
