shipping weight: 1.10 kg
Manufacturer: MikroTik

Product Description

MikroTik RBLHGR - LHG R with 10.5 dBi 60 degrees LTE directional antenna

The LHG LTE kit is a device for remote locations that are within cellular network coverage. Mount it outdoors, on a pole, mast or any high enough structure, and connect even where cell phones cant. Due to its large sized high gain antenna, the device is capable to connect to cell towers in extreme rural locations, giving you the ability to provide last mile Internet access where nothing else is available.

The unit is equipped with one Ethernet port, has a built in high quality Category 4 modem for speeds of up to 150 Mbit/s downlink and 50 Mbit/s uplink.

LHG R (RBLHGR) doesnt include any LTE modem (free miniPCI-e slot) - antenna only version, to be used with custom LTE modem.

- Product code: RBLHGR
- CPU: QCA9531 650 MHz
- Size of RAM: 64 MB
- Storage: 16 MB Flash
- 10/100 Ethernet ports: 1
- LTE antenna gain: 21 dBi
- Antenna beam width: 25°
- LTE category: -
- 3G category: -
- 2G category: -
- SIM slot: 1 (Mini SIM)
- PoE in: Yes
- Supported input voltage: 12 - 57 V (passive PoE, 802.3af/at)
- Dimensions: 391 x 391 x 227 mm
- Operating temperature: -40°C to +60°C tested
- License level: 3
- Operating system: RouterOS
- Max. power consumption: 6 W
