Product Description

MC-880 - VESA Electrical Screen/TV Mount, 32-70", black, 35 kg, Remote Control

The high-quality electric ceiling mount MC-880 with included remote control allows you to quickly and conveniently adjust the inclination of the screen without moving from the place. Designed for mounting LCD and LED TVs of various brands weighing up to 35 kg and with screen sizes from 32" to 70". Compatible with: Sony, LG, Samsung, Philips, Sharp, Panasonic, Toshiba, Grundig, Pioneer, JVC, Benq, Sanyo, NEC, Hyundai, Hitachi.

Thanks to the included remote control, you can infinitely adjust the inclination of the handle from 0° to 75° without having to get up. In addition, the remote control's memory allows you to save two selected positions, so you can set the TV to your favorite position by pressing just one button.
