Product Description

Delock 10" Cable Management Brush Strip with Cable Support Plate 1U black

This brush strip by Delock is suitable for installation in a 10" network cabinet. The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression. The cable support plate on the back of the brush strip allows cables to be fixed in place to prevent the exposed cables from sliding back into the network cabinet. The included nylon brushes prevent ingress of dust and dirt.

- For mounting in 10" network cabinet, 1U
- Storage tray
- Nylon brushes
- Colour: black
- Material: metal
- Dimensions (LxWxH): ca. 254.0 x 92,0 x 44,5 mm
