📄 Product Description

Delock 19" Cable Management Brush Strip with Cable Support Plate 1U black

This brush strip by Delock is suitable for installation in a 19" network cabinet. The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

With the solid hooks the patch cords can be neatly routed horizontally. The included nylon brushes prevent ingress of dust and dirt.

- For mounting in 19" network cabinet, 1U
- Panel with 2 hooks
