📄 Product Description

Delock 19 Cable Management Routing Panel with 4 openings 2U black

This routing panel by Delock is suitable for installation in a 19 network cabinet.

The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

The removable front panel hides open cables and protects them from damage.

On the rear side, the panel is equipped with four openings to allow easy cable access.

- For mounting in 19 network cabinet, 2U
- Removable cover
- Front with four openings (180 x 24 mm)
- Colour: black
- Material: metal
- Dimensions (LxWxH): ca. 482.6 x 88.9 x 70.0 mm
- Package content: 19 routing panel, 4 x screws, 4 x caged nut, 4 x washer
