Product Description

Delock Fiber Optic Coupling with laser protection flap SC simplex female to SC simplex female multimode purple

With this SC Simplex coupling by Delock, fiber optic plugs can be easily connected to each other. The coupling thus enables a direct connection with the fiber optic cable and is suitable for easy installation in fiber optic connection sockets, distributors and patch fields.

The integrated flap guarantees protection against laser radiation.

The coupling is provided with an appropriate cap to protect the sleeve from dust and to keep it clean.

- Connections: 1 x SC Simplex socket & gt; 1 x SC Simplex socket
