📄 Product Description

ASCM01 - Standard 1/4" screw suction cup mount for Tube and WiFi/4G CampPro™ series

ASCM01 is a suction cup mount with 1/4" screw and twist lock.

It is ideal for quick mounting of the ALFA Network's Tube and WiFi/4G CampPro™ series on any flat surface.

Thanks to the strong suction (up to 3 kg of load) and a standard 1/4" screw, it can be used also with other devices like outdoor antennas, action and photo cameras or photo equipment.

- Compatibility: ALFA Network Tube series; ALFA Network WiFi CampPro™ series; ALFA Network 4G CampPro™ series; Action and photo cameras with standard 1/4" screw mount type
- Screw type: Standard 1/4"
- Maximum load: 3 kg
