## 📄 Product Description

Interscale M Raspberry Pi Case, Metal black, for Raspberry Pi 2 und 3

The specially designed Schroff Interscale M case is ideal for holding the Raspberry Pi 3 and Pi 2 model B board. The chassis kit contains all of the necessary accessory parts for assembly, including rubber feet, hardware for mounting the board, and a reliable universal holder.

The Interscale M metal case is protected by a powder coat (RAL 9005 jet black) finish for both durability and a high quality appearance. The design features integrated EMC protection. Thanks to its design, the completely assembled case offers excellent protection for the installed board. The internal electronics can be accessed quickly and easily by removing just two screws.

- For use with: Raspberry Pi 2, Raspberry Pi 3
- Series: Interscale M
- Color: Black
- Dimensions outsite: 32 x 65.5 x 89.5 mm
- Case material: Metal
