

Item no.: 349708

65847 - MMCX socket PCB, gold-plated brass

from **3,08 EUR**

Item no.: 349708
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

MMCX socket PCB

This socket from Delock is suitable for solder mounting on PCBs. The gold coating prevents corrosion and ensures an optimal connection.

- Connection: 1 x MMCX socket
- Pin: Brass gold-plated
- Insulation: PTFE
- Housing: Brass gold plated
- Frequency range: 0 - 6 GHz
- Impedance: 50 Ohm
- VSWR: 1.2
- Operating temperature: -55 °C ~ 165 °C
- Solder mounting: 3 solder pads
- Dimensions (LxHxD): 7.5 x 4.5 x 3.4 mm
- System requirements: Suitable board for mounting the MMCX connector
- Package contents: MMCX connector
