Product Description

Extension Socket Cube 3-way with childproof lock and USB charger, 1.5 m cable, white

The extension socket cube by Delock with USB charging function is suitable for convenient connection of various devices. A wall bracket is integrated, so that the socket can also be mounted on the wall or under the desk.

Make 3 out of 1

Whether in the kitchen, living area or office. There is a lack of free sockets. This multiple socket makes three out of one free grounded socket. The cube shape also provides a space-saving solution.

USB charger included

The charger has been integrated so that the additional slots don't have to be occupied by chargers. In addition to the sockets, one USB Type-C™ and two USB Type-A charging ports are provided.
