

Item no.: 353954

Braided hose rodent-proof expandable 2 m x 19 mm brown

from **2,99 EUR**

Item no.: 353954
shipping weight: 0.10 kg
Manufacturer: Delock

Ø 19 mm / 2 m

Product Description

This braided sleeve from Delock is suitable for bundling exposed cables, electrical cables or wires to protect them from dirt or damage.

The braided sleeve offers increased protection against rodents that cause damage, e.g. mice or rats. Despite the special protective sleeve, the hose remains pliable and flexible.

This braided sleeving is very stretchable, which allows it to accommodate several cables with different diameters.

The braided hose is characterised by its high abrasion resistance and heat resistance.

The cables and hoses can be added or removed several times.

The length of the braided sleeving can be shortened individually with the help of a hot cutting device.

- Length: approx. 2 m
- Diameter: approx. 19 mm
- Cable diameter:
 - min.: 14 mm
 - max.: 30 mm
- Ambient temperature: -70 °C ~ 125 °C
- Rodent-proof
- Reusable
- Material: Polyester
- Fire resistance class: 94V-2, VW-1
- Colour: brown
- Package contents: Braided hose
