

Item no.: 357847

89538 - WLAN antenna N socket 802.11 b/g/n 12 dBi, 118.5 cm, mast mounting, white outdoor

from **47,16 EUR**

Item no.: 357847
shipping weight: 0.50 kg
Manufacturer: Delock

Product Description

This WLAN antenna from Delock for indoor and outdoor use enables the transmission and reception of WLAN signals.

- Connection: 1 x N socket
- Frequency range: 2.400 - 2.500 GHz
- Antenna gain: 12 dBi
- Impedance: 50 Ohm
- Polarisation: linear vertical
- Aperture angle: horizontal: 360°; vertical: 8
- VSWR: 1.5
- Transmitting power: max. 100 W
- Operating temperature: -40 °C ~ 80 °C
- Housing material: GRP, UV protected
- Colour: white
- Antenna length: approx. 118.5 cm
- Diameter: approx. 2.3 cm

System requirements

- Unit with a free N connector
