📄 Product Description

This mini Velcro cable holder from Delock is suitable for practical bundling and fastening of cables.
The Velcro fastener allows the cable holder to be quickly attached and easily detached again.
The adhesive surface allows the cable holder to be attached to the wall, for example.
The Velcro cable holder is compatible with all types of cables, e.g. network cables, USB cables, HDMI cables, charging cables, power cables etc. Whether in the office or at home, the cables always remain neatly sorted and leave a tidy overall impression. The Velcro cable holders are the perfect solution to keep things tidy and prevent cable clutter.
