from **8,30 EUR**

Item no.: 357249
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

These special cable ties from Delock are suitable for fixing and guiding cable harnesses and cables along edges. For the appropriate position of the cable tie, the clip can be moved along the cable tie. The cables can thus be guided above or to the side of the edge.

The combination of bracket and cable tie is the optimal solution when drilling is not practical and adhesives cannot be used.
