Product Description

The Velcro tape set from Delock consists of a roll of self-adhesive adhesive tape and a roll of self-adhesive fleece tape. It can be used as a quick fastener for various applications, e.g. for furniture, components and for bundling individual cables or for various craft projects.

The adhesive tape and the fleece tape have an adhesive coating on the back and are covered with a special paper. The paper is removed and the Velcro tape is applied to a dry surface and pressed on firmly. In addition, the length can be shortened individually.
