from **2,20 EUR**

Item no.: 357150
shipping weight: 0.60 kg
Manufacturer: Delock

Product Description

These stainless steel cable ties from Delock can be used for space-saving bundling of individual cables, wires and hoses.

The stainless steel cable ties are characterised by their high heat resistance, tensile strength and corrosion resistance.

The stainless steel cable ties have a self-locking ball closure and are easy to apply. To make work even easier, a suitable pair of pliers specially designed for stainless steel cable ties can help.

- Length: approx. 200 mm
