

Item no.: 357432

Adapter High Speed HDMI with Ethernet - micro D male >A female angled

from **2,86 EUR**

Item no.: 357432
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This High Speed HDMI with Ethernet adapter from Delock complies with the latest HDMI standard and combines fast data transfer as well as audio/video and Ethernet connection in one. The micro HDMI-D connection was specially developed for the new generation of mobile phones and digital cameras and is used to transfer data such as videos, pictures, etc.. You can, for example, convert the micro HDMI-D interface of your mobile phone into an HDMI-A port and connect it to your TV with the help of an optional HDMI (HEC) cable.

- High Speed HDMI with Ethernet (HEC)
- 90° angled
- 19 pin micro HDMI - D male > 19 pin HDMI - A female
- Transmission of audio and video signals as well as Ethernet signals
- Gold-plated contacts

System requirements
