## WLAN 802.11 ac/a/h/b/g/n antenna RP-SMA connector 7.5 - 10 dBi directional with tilt joint black

from **36,56 EUR**

Item no.: 357808  
shipping weight: 0.50 kg  
Manufacturer: Delock

### Product Description

This WLAN antenna can be connected to a WLAN device with RP-SMA connector to receive and transmit signals.

- Connectors: RP-SMA connector
- Frequency range: 2.4000 - 2.4835 GHz; 5.1500 - 5.8750 GHz
- Antenna gain: 7.5 - 10 dBi
- Impedance: 50 Ohm
- Polarisation: linear, vertical
- Transmitting power: max. 1 W
- VSWR: 2.0
- Operating temperature: -10 °C ~ 55 °C
- Colour: black
- Dimensions (LxWxH): approx. 167.30 x 66.00 x 18.00 mm
- Diameter: approx. 13.50 mm (RP-SMA)

#### System requirements

- Device with a free RP-SMA socket
