USB 2.0 Bluetooth 4.0 Adapter USB Type-A

from **12,59 EUR**

Item no.: 362074
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

The USB 2.0 Bluetooth adapter from Delock enables wireless communication and data transfer, e.g. between two PCs or a PC and a mobile phone or network. The Bluetooth adapter can remain connected to the notebook at all times, as it only protrudes approx. 7 mm from the USB connection.

A2DP stands for "Advanced Audio Distribution Profile" and is used to enable audio signals (stereo) to be transmitted in addition to pure data transmission during wireless transmission via Bluetooth. The stick is therefore an ideal addition, for example, to connect the notebook with Bluetooth-enabled headphones.

- Connection: 1x USB 2.0 type-A plug
- Chipset: Cambridge Silicon Radio
- Bluetooth Standard 4.0 Dual Mode + EDR
- Class 2, range up to 10 metres
- Frequency range: 2.4 - 2.4835 GHz
- Data transfer rate up to 3 Mbps
- Supports Bluetooth profile A2DP
- Dimensions (LxWxH): approx. 22.3 x 15.0 x 7.4 mm
