Item no.: 361995

Notebook fuse cable for USB type-A socket with key

from **15,44 EUR**

Item no.: 361995
shipping weight: 0.20 kg
Manufacturer: Navilock

Product Description

With this universal notebook lock from Navilock, various devices such as notebooks, beamers, monitors etc. can be secured at any location. The 1.8 m long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar and thus secures the device against theft. The swivelling joint makes it easy to attach the lock.
Carbon steelThe carbon steel cable with protective plastic sheath is characterised by particularly high cut and theft protection and, at just 122 grams and a length of 1.8 m, offers optimum freedom of movement.
Locking the lock without a keyThe special mechanism allows the lock to be locked without a key. The matching key is only needed for unlocking.
