📄 Product Description

Shelly Duo GU10 is a Wi-Fi equipped LED spotlight that allows you to adjust the light to suit your mood. With the dimming function, you can adjust the brightness of the Shelly Duo GU10 according to your needs.

The Shelly Duo GU10 spot welcomes you home in a soft light. Control your light from the bedroom to the garden easily with your smartphone. The Shelly Duo GU10 even makes it look like you're home when you're not. Simplify your life today with the world's smartest WiFi Dual Spot.

Wi-Fi. You don't need an extra HUB because you can connect the Shelly Duo GU10 directly to your Wi-Fi.

Energy efficient. Reduce energy consumption without any loss of brightness or quality.

Easy control. The only thing you need to manage your Shelly Duo GU10 is your smartphone and the free Shelly Cloud app.

Dimmable light. Enjoy dimmable light with easy fine-tuning of brightness.

Set schedules. The Shelly Duo GU10 can wake you up in the morning with dimmed light to help you energise, read, concentrate or just relax.

Compatibility. Compatible with Android, iOS, Amazon Alexa and Google Assistant.

Solar Radiance. The Shelly Duo GU10 Spot automatically switches on or off based on the sun's path.
