

Item no.: 361141

Fibre optic hybrid coupling LC duplex male to SC duplex female beige

from **64,88 EUR**

Item no.: 361141
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This LC duplex to SC duplex hybrid coupling from Delock enables the conversion from one connector type to the other. Thus LC and SC fibre optic cables can be easily connected to each other and are suitable for mounting in fibre optic junction boxes, distributors and patch panels.

The coupling is equipped with a corresponding cap to protect the sleeve from dust and keep it clean.
