

Item no.: 361043

19" fibre optic splice box 6x LC Duplex OS2 1U completely equipped ready to splice

from **78,92 EUR**

Item no.: 361043
shipping weight: 1.50 kg
Manufacturer: Delock

Product Description

This pre-assembled fibre optic splice box from Delock can be installed in a 19" equipment cabinet and is ideal for quickly and securely setting up the fibre optic network in buildings. The fibre optic box is equipped with 6 LC duplex couplings and 12 pigtails that are already inserted in the splice cassette ready for splicing. The front panel can be pulled out, making it possible to work on both sides of the couplings without removing the cover.
