

Item no.: 367220

Cable protection conduit 1 m x 21.2 mm black

from **2,84 EUR**

Item no.: 367220
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This corrugated plastic conduit from Delock is suitable for bundling exposed cables, electrical lines or wires to protect them from dirt or damage. In combination with the Delock conduit fitting 60454, it provides a secure and firm hold. Excellent flexibility and resistance. The protective conduit is characterised by its high resistance to abrasion, temperature and chemicals. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending. Versatile. Thanks to its robust construction and flexibility, protective conduits are often used in installation technology, automation and machine systems.

Note: The conduit is suitable for the Delock conduit fitting 60454.

Specification

- Length: approx. 1 m
- Diameter: approx. 21.2 mm
- Reusable
- Flexible
- Protection class: IP68
- Ambient temperature: -40 °C ~ 125 °C
- Material: plastic
- Fire resistance class: 94V-0
- Colour: black
