Product Description

IT ELITE SRABOX - Large Outdoor Enclosure (IP 66/67) The outdoor enclosure will reliably protect your electronics during outdoor operations. The enclosure is equipped with a special RJ-45 waterproof Ethernet connector for an easy connection to network and PoE.

Specifically designed for operation under severe weather conditions, since proper materials allow operation without the risk of corrosion even in saltwater environments. The high-quality construction of the pole mounting elements guarantees an easy elevation and tilt adjustment as well as a rock-stable operation.

Inside the enclosure are suitable posts for MikroTik RouterBOARDS of the 411, 433 and 600 series. Key Features:

- High-quality construction
- Heavy-duty mounting elements
- Easy elevation and tilt adjustment
- Special outdoor weatherproof enclosure
- Also suitable for MikroTik RouterBOARDS
- Designed for all-weather operation

Applications:

- Wi-Fi Installations
- Outdoor electronics housing

Enclosure Properties
