

Item no.: EP-CHUPCCRSTDMT

EP-CHUPCCRSTDMT - Universal UP Core Stacking Enclosure Accessory

from **23,13 EUR**

Item no.: EP-CHUPCCRSTDMT
shipping weight: 0.10 kg
Manufacturer: UP Bridge the Gap

Product Description

AAEON - Universal UP Core Stacking Enclosure Accessory This aluminum enclosure accessory is designed to accommodate a carrier board for UP Core. Since this is a universal type enclosure with rubber insulation, you can use it with any carrier board. If you have two carrier boards to stack together, you can buy this enclosure accessory two times. Included in delivery:

- 1x stacking middle base
- 4x M2.5x9 hex standoff
- 2x M2.5x19.5 hex standoff
- 3x rubber side parts
- 1x SMA plug

Items not included, you may need to provide yourself:

- UP stacking board (EP-CHUPC-CRSTHI and EP-CHUPC-CRSTLO)
- UP main housing and VESA plate (EP-CHUPCMTVAUPC)
