## EX.1858 - Pigtail SC/APC SM 900UM G.657A 1.5m EASY-STRIP

**0,56 EUR**

Item no.: 328144  
shipping weight: 0.20 kg  
Manufacturer: Extralink

### Product Description

#### Pigtail SC/APC SM 900UM G.657A 1.5m EASY-STRIP

The pigtail with SC/APC connector is mounted on a G.657A1 singlemode fiber designed for FTTx technology. This fiber features a reduced bend radius without increasing attenuation. This is a very important feature when building FTTx networks due to the large number of changes in the direction of the optical line and due to the small size of the cabinets and distribution boxes. Pigtail is mainly used for client cable terminations in customer sockets and in the end distribution element.

- Length: 1,5 m
- A pigtail/splitter tip: SSC/APC
- Fibre standard: G.657A1
- Minimum bending radius: 10 mm
- Random average IL attenuation: 0.15 dB
- Reflectance RL APC: >60 dB
- Fibre strength: >9 N
- Operating temperature: -40 ~ +85 °C °C
- Fibre diameter: 0.9mm
- Coating: EASY-STRIP
