Product Description

WDBTLG0020BGD-WESN - My Passport Ultra 2Tb Gold Worldwide

The My Passport(TM) Ultra hard drive is a proven mobile memory in an attractive metallic matt design. With plenty of storage space for all your valuable content, WD Backup(TM) software and password protection keep your memories safe. Very user-friendly: just plug it in and start saving and backing up.

Attractive design

In My Passport(TM) Ultra, metallic and matt surfaces merge into a stylish design that fits comfortably in your hand, jacket or handbag - so you can take important content with you wherever you go.

Social media and cloud storage import features

The included WD Discovery(TM) software connects you to popular social media and cloud storage services like Facebook, Instagram, Dropbox, and Google Drive(TM). Back up your photos, videos, and documents to My Passport Ultra to protect your online existence.

Back up data automatically

My Passport Ultra comes with the WD Backup(TM) software. This software helps protect your photos, videos, music, and documents from loss. On your schedule. Just choose when and how often to back up. Important data is then automatically copied from your system to your hard drive.
