Product Description

SBX-AM - StationBox(R) ALU-Mini, IP55 Aluminum Outdoor Enclosure

SBX-AM is a compact premium outdoor enclosure for IoT devices and wireless platforms. SBX-AM is made of cast aluminum. The robust, full-metal construction is geared towards excellent environmental resistance. The slick mounting mechanism allows the installation of SBX-AM on a pole or wall.

SBX-AM is designed for solution builders. A 3D data set allows for an easy DIY mounting plate design, 3D printing or easy electronics PCB layout customization. [Package contents](#)

- StationBox(R) ALU-Mini
- Mounting bracket
- Blind plate
- Hose clamp
