shipping weight: 2.30 kg
Manufacturer: Shuttle

📄 Product Description

SHUTTLE Barebone XPC slim DS10U3 black i3-8145U whiskey lake,

The DS10U series are slim, fanless barebone PCs in a robust metal housing with universal connection options. The soldered-on Intel "Whiskey Lake-U" processor offers enough performance for the playback of 2160p / 60 videos in 4K resolution. There are two digital connections for UHD displays and a traditional VGA port. Components are easy to install: two memory modules, a 2.5 "drive and an M.2-2280 SSD can be found behind the practical covers. An LTE module can optionally be integrated into the 2.5" slot.

Thanks to completely passive cooling, the system is practically maintenance-free, suitable for 24/7 continuous operation and also very economical. It is ideal for professional applications such as digital signage, POS, control, office or as a media PC.

- Flat 1.3 liter metal case
- Fanless heat pipe cooling system
- HDMI 2.0a, DisplayPort 1.2, D-Sub / VGA
- 4x USB 3.1 Gen 2 (10 Mb / s), 4x USB 2.0
- SD card reader, 2x Intel Gigabit LAN
- 2x audio (line-out + microphone-in)
- 1x COM port (RS232 / RS422 / RS485)
- Connection for external power button

Slim design

- Flat 1.3 liter metal case, black
- Dimensions: 20 x 16.5 x 3.95 cm (LWH)
- With stand and VESA mount (75/100 mm)

Operating system

- An operating system is not included
- Compatible with Windows 10 & Linux (64-bit)

Processor

- 2 cores, 4 threads Intel ULV Whiskey-Lake-U, 15 W TDP
- Integrated Intel UHD Graphics 610, DX12
- Fanless heat pipe cooling system

memory socket

- 2 x 260-pin SO-DIMM slots
- Supports max. 2 x 32GB DDR4-2400

Drives

- Bay: 6.35 cm / 2.5 "for hard disks / SSDs
- M.2 2280 slot (supports PCIe X4 & amp; SATA)

Connections

- HDMI 2.0a, DisplayPort 1.2, D-Sub / VGA
- 4 x USB 3.1 Gen 1 (5 Mb / s), 4 x USB 2.0
- SD card reader, 2 x Intel Gigabit LAN
- 2 x audio (line-out + microphone-in)
- 1 x COM port (RS232 / RS422 / RS485)
- Connection for external power button

WLAN

- WLAN 802.11ac with two external antennas

Power supply

- External 65 watt power supply (fanless)

Optional accessories

- CXP01: adapter cable for ext. Power button
- PRM01: 2U rack front for two DS10U
- WWN03: LTE adapter kit for the 2.5 slot
- PCP11: adapter cable for second COM port
- DIR01: DIN rail mounting kit (DIN rail)
