from **26,70 EUR**

Item no.: 341021
shipping weight: 0.10 kg
Manufacturer: Shuttle

Product Description

SHUTTLE Adapter VGA port expansion kit DS81

The PVG01 adapter equips compatible Shuttle XPC slim products with an analog VGA output. For the 1L slim PCs this also means only one serial interface (COM 1) can be used afterwards.

Scope of delivery:

- Adapter PVG01
- Installation instructions
- Two screws

Specification:

- Internal adapter cable, length: 160 mm
- Backpanel connector: 15-pin mini D-sub female (DE15)
- Internal connector: Subminiature 2x10-pin, 1 mm pitch, female

Compatible with

- Shuttle XPC slim (1L): DX30, DS81, DS87, DH110, DH170, DQ170, DH270, DH310, DH370, DH410, DH410S, DH470
- Shuttle XPC slim (3L): XH81, XH81V, XH110, XH110V
