Product Description

Cable Duct self-adhesive 50 x 12 mm - length 1 m black

This cable duct by Delock can be used to bundle and conceal exposed cables, to protect them from dirt or damage.

The cable duct is provided with an adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor, wall, window frame or baseboard. The adhesive tape also ensures a firm and secure hold.

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away. The upper part of the cable duct can be easily removed by sliding it out to add or remove cables.

- Self-adhesive
- Reusable
- Individually shortenable
- Environmental temperature: -40 °C ~ 65 °C
- Material: PVC
- Colour: white
- Dimensions (LxWxH): ca. 1000 x 50 x 12 mm
- Package content: Cable duct
