shipping weight: 0.20 kg
Manufacturer: Fibaro

Product Description

Walli Outlet (Type F)

The FIBARO Walli Outlet is an intelligent power outlet which is used to control connected electronic devices. You will never have to worry anymore about the coffee machine or lamp.

The small FIBARO Walli Outlet measures active power and energy consumption. With its LED ring you are informed about the current energy consumption. The installation is easy and can be carried out according to your individual wishes. Use the included socket cover or your own socket series (GIRA System 55, Legrand Celiane, Schneider Odace).
