A19-003 AR-POL - POLY+ Raspberry Pi 4 Vented Case

from **12,33 EUR**

Item no.: 344274
shipping weight: 0.10 kg
Manufacturer: Argon 40

Product Description

POLY+ Raspberry Pi 4 Vented Case

The Argon POLY+ is an inexpensive black ABS plastic case for the Raspberry Pi 4. It's a great case for beginners who want style and functionality. The Argon POLY+ has a contemporary design that preserves the full functionality of the Raspberry Pi 4 while keeping it safe. The cover keeps the GPIO pins, camera module, and display module safe when not in use. The secure top cover can accommodate official Raspberry Pi HATs inside the Argon POLY+. With the new vents on the cover of the case, the fan inside the case will have better air flow for improved cooling.

- For use with: Raspberry Pi 4
- Color: Black
- Housing material: Plastic
