Product Description

Long Nose pliers orange 14.2 cm

These long nose pliers by Delock are ideal for gripping, holding and bending wires and sheet metal parts and can be optimally used in electronics and precision mechanics. The pliers have serrated gripping jaws, which ensure a better hold on smooth, flat materials and thus simplify work. The handles are insulated and the joint is provided with a stainless steel rivet, while the rubberized structure ensures an optimal hold.

- Metal pliers with plastic handles
- Opening spring and opening limiter
- Color: orange
- Dimensions (LxWxH): approx. 142 x 57 x 10 mm
