from **41,52 EUR**

Item no.: 348169
shipping weight: 0.30 kg
Manufacturer: Yealink

Product Description

BTH58 - Bluetooth Handset

Yealink wireless Bluetooth handset BTH58 adopts the Bluetooth 5.0 technology. The effective communication distance is up to 10 meters. With Yealink's T58W or MP58 phones, you can leave the desk to find documents and get coffee when making phone calls, greatly improving work efficiency and flexibility. With HD speaker and microphone, BTH58 brings you an ultimate call experience. The 10% anti-packet loss rate can make the call more stable, thus maintaining a clear and fidelity voice quality.

- Compatible with the SIP-T58W and MP58 phones
- HD speaker and microphone
- Bluetooth 5.0
- Talk time: 17 hours
- Standby time: 46 hours
- Communication range of up to 30 feet (10 meters) from the phone
