Product Description

Delock 19" network cabinet blind cover 1 U black

This blind cover from Delock is suitable for installation in a 19" network cabinet. This closes off open areas in the network cabinet.

The special feature of this brush strip is that no tools are required for installation in a network cabinet. The integrated fastening clips can simply be pushed outwards, thereby locking the panel in place.

The network cables are simply fed through from the front to the back, thus keeping the cables inside the network cabinet out of sight and leaving the network cabinet with a tidy overall impression.

The nylon brushes included prevent dust and dirt from penetrating.
