

Item no.: 346437

KTD-PE426D8/16G - 16 GB DDR4 ECC 2666 MHz, 1 Modul

from **68,51 EUR**

Item no.: 346437
shipping weight: 0.10 kg
Manufacturer: Kingston

Product Description

DDR4 - 16 GB - DIMM 288-PIN - registered

Trust one of the world's largest established developers in this field for your memory choice. With Kingston's registered RAM, you get high-performance memory that is designed and tested for long-term, extensive use and is ideal for servers and workstations.

Optimal for servers and workstations: As this Kingston module is registered RAM, it is especially designed for extensive, long-term use in servers and workstations.

High quality - established and tested: RAM from Kingston has been widely used for a long time and is known for reliable quality. In addition, the modules are tested by the manufacturer.

- Type: DRAM
- Technology: DDR4 SDRAM
- Data integrity check: ECC
- Supply voltage: 1.2 V
- Form factor: DIMM 288-PIN
- Memory capacity: 16 GB
- Module configuration: 4096 x 72
- Metal plating: Gold
- Memory speed: 3200 MHz
- CAS Latency: CL22
- Memory specification compliance: PC4-25600
- Chip organisation: X4
- Registered or buffered: Registered
- RAM Characteristics: Dual Rank
