📄 Product Description

This patch panel from Delock can be used for installation in a 10? equipment cabinet. The standardised dimensions make it suitable for easy mounting of Easy 45 modules.

Easy 45 is a variable, modular system that makes it possible to assemble components such as sockets, HDMI or USB connections according to one's own needs. The Easy 45 modules are standardised and can be mounted in various module supports or parapet channels. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
