Item no.: 357942
Plus 1 lighting control

from **20,85 EUR**

Item no.: 357942
shipping weight: 0.50 kg
Manufacturer: Shelly

📄 Product Description

Automate your lighting, garage door, irrigation system, bathroom fan or any other electrical device. The Shelly Plus 1 offers you numerous application possibilities to control your Smart Home. Due to its compact size, the relay fits behind any wall switch or socket. Installation takes less than 10 minutes.

You don't have to lay additional cables or carry out unnecessary and expensive renovations. You can now automate and remotely control any electrical appliance - even your old fan, heater, pool system, door lock or even doorbell.

Unlock the full potential of the Shelly Plus 1 by combining it with other devices on your home network. Set the Shelly Plus 1 to activate custom scenes based on time, lights or various events.

Use your favourite voice assistant to control the Shelly Plus 1. Shelly Plus 1 is compatible with most popular voice assistants such as Amazon Alexa.

You can control the Shelly Plus 1 directly via the Shelly Cloud App - without an additional hub. Manage and control your home or facility, set scenes and schedules, and adjust settings wherever you are - via cloud access or just the local network!

- Power supply: 110-240 V ±10% 50/60 Hz AC, 24-240 V DC, 12 V DC
- Maximum load per channel: 16 A
- Operating temperature: 0°C to 40°C
- Wireless/Wi-Fi: 802.11 b/g/n protocol (2.4 GHz)
