PHIEPSK01-W - Smart Keypad PSK01, white

from **94,22 EUR**

Item no.: 358060
shipping weight: 0.50 kg
Manufacturer: Philio

Product Description

The Philio Smart Keypad with its elegant glass touch panel can be easily integrated into your Z-Wave network to increase the security of your home. The smart device supports Z-Wave multi-functions to report the current status of the keys and set the alarm by arming or disarming.

The rechargeable lithium-ion battery and DC 5V (Micro USB) means your keypad is always powered without adding to your electricity bill.

Features:

- Z-Wave 500 Series
- Multifunction smart switch for home automation or security applications
- Code function
- Supports Security 2
- Programmed button to control Z-Wave devices
- Green and red LED indicator
- Communicates interactively with other devices
- Linux-based, thus the SoC has a comprehensive protocol stack for customised integration
- Nominal voltage: 5 V/1 A (micro USB charging for battery)
- RF distance: Min. 40 m indoors, 100 m outdoors (line of sight)
- Battery life: 6 months
- Alarm audibility: 85 dB/3M
- Operating temperature: 0°C ~ 40°C
- Operating humidity: 85%RH max
