Product Description

This Easy 45 module from Delock provides a USB type-A socket. Thanks to the simple snap-in mechanism, the cover sits firmly in place and can be replaced without any problems or tools if necessary.

Easy 45 connects Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be assembled according to individual needs. The Easy 45 modules are standardised and can be mounted in various module supports or parapet channels. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
