

Item no.: 361099

Delock fibre optic distributor box for indoor and outdoor use IP65 lockable 6 port white

from **16,27 EUR**

Item no.: 361099
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This lockable distributor box from Delock is suitable for wall mounting and serves as a protective device for optical cables and couplings. The distribution box can accommodate up to six SC simplex or LC duplex couplings.

With splice tray The integrated splice tray enables clean routing of the individual fibres for optimum transmission of lightwave signals.

IP65 dust and waterproof The distribution box has one cable inlet and six cable outlets, which are protected with a rubber seal. The seal provides increased protection against dirt and moisture for connecting fibre optic cables indoors and outdoors.

Specification

- Fibre optic distribution box for FTTH applications
- 6 slots for SC Simplex or LC Duplex couplings
- Wall mounting
- Lockable
- With splice tray
- Cable entry with rubber seal
- Cable diameter: approx. 10 mm
- Suitable for indoor and outdoor use
- Protection class: IP65
- Ambient temperature: -40 °C ~ 75 °C
- Housing colour: white
- Housing material: ABS
- Dimensions (LxWxH): approx. 196 x 144 x 41 mm

Package contents

- Fibre optic distributor box
- 1 x key
- Fixing material
- 6 x shrink splice protectors
