

Item no.: 361206

Cable USB type-A male to 2 x DC 5.5 x 2.1 mm female with switch 1 m

from **4,85 EUR**

Item no.: 361206
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable from Delock is used to connect to a USB type-A socket and enables the power supply of devices with a DC plug. By pressing the individual on/off switches, the power supply for a device connected to the cable can be switched on or off. This means that it is not necessary to remove the cable from the socket to disconnect it from the power supply. The cable is particularly suitable for hobbyists.
